Air Charter Services Extension

- Alliance extends BHP Western Australia Iron Ore air charter services contract
- Extension is for a further two years

Alliance Aviation Services Limited (“Alliance”) announces an extension of the air charter services agreement with BHP WA Iron Ore for a further two years.

This extension is further evidence of Alliance’s enviable reputation of outstanding customer retention with the extension solidifying the relationship that started with the first flight for BHP WA Iron Ore in 2009.

Lee Schofield, Alliance’s Chief Executive Officer, said “Alliance is delighted to be continuing the provision of these charter services into Coondewanna and Barimunya. Our commitment to safety and providing our clients with industry leading on time performance has played a significant role in being awarded this extension.”

Mr Schofield, further added, “In May this year BHP acknowledged Alliance’s exceptional safety and operational record when BHP presented Alliance with an Aviation Safety Award in recognition of the safe carriage of 3.5 million BHP staff and contractors on charter and scheduled services throughout Australia from April 2002 to April 2019”.

In accepting the award, Alliance Managing Director, Scott McMillan paid tribute to all Alliance staff, contractors and suppliers who have been responsible for coming together for the provision of these services of the highest quality.
