Ernest Henry Contract Extension

- Alliance extends contract for air charter services for Glencore's Ernest Henry Mine
- Extension of contracted flying for Glencore until 2019

Alliance Airlines "Alliance" today announced it had signed a two year contract extension for Glencore's Ernest Henry mine, situated 38km NE of Cloncurry.

Alliance has been providing services to Ernest Henry mine since 2003.

Lee Schofield, CEO of Alliance Airlines stated, "It is a great achievement for Alliance to provide air charter services to Glencore since 2003. This would not have been possible without the contribution of our teams in North Queensland where we have established major regional headquarters, in both Townsville and Cairns, with dedicated aircraft, crew and maintenance facilities."
