Alliance Aviation Services Limited (ASX code: AQZ)

Contract extension – St Barbara Limited

Alliance Aviation Services Limited (“Alliance”) is pleased to announce that it has won a selective tender contract process that will see Alliance continue its provision of air charter services to St Barbara Limited’s Leonora operations for a further three years.

St Barbara Limited is an Australian gold producer which has operations in the Leonora region in Western Australia. Alliance have been providing air charter services to St Barbara since 2012 and will continue to provide eight flights per week between Perth and Leonora.

The Chief Executive Officer for Alliance, Lee Schofield, said “that the flexibility of Alliance’s fleet, together with industry leading on time performance greatly assisted Alliance in retaining this contract.”

Mr Schofield continued, “The St Barbara contract is the fifth contract Alliance has retained in a selective tender process over the last 12 months. Alliance continues to maintain the highest retention rate of clients in the FIFO air charter sector – an achievement of which all the team at Alliance are very proud of in such a competitive market.”
